

BRITANNIA ATHLETIC DEPARTMENT

INFORMATION SHEET

Dear Parent/Guardian:

We are pleased that your son/daughter has chosen to participate as a member of the _____ team. As he/she is representing Britannia Secondary School we expect certain standards to be maintained.

ATTENDANCE AND COMMITMENT: Since teachers/coaches give voluntary time, each team member is expected to attend all practices and games. If an athlete knows that there may be a conflict between school athletics and outside activities he/she must discuss this with the coach prior to the game or practice in question.

INELIGIBILITY: An athlete may be deemed to be ineligible to play, for any school team during the year, if they have been expelled from a team for any reason or if they have quit a team after the final player decisions have been made.

CONDUCT: Team members are expected to maintain a high standard of behavior and sportsmanship at all times. Coaches, teammates, opponents, and officials are to be treated with respect. The use of alcohol, drugs or tobacco products traveling to, during or returning from games, tournaments or practices is prohibited. Any violations may result in expulsion from the team and will result in further action from administration.

CLASS ATTENDANCE: Athletes are expected to attend all classes, except for those which they have been excused from in order to participate in school sanctioned team activities. **All athletes are responsible for any missed class work.** Team members are also expected to participate in Physical Education classes on game day.

ACADEMIC ELIGIBILITY: All athletes are required to maintain academic standards to the best of their ability. Low academic grades and/or poor attendance could result in the student-athlete missing games or suspension from the team.

FEES: Athletes will be required to pay a fee to help offset the cost of uniforms, referees, medical equipment, supplies, and registration and tournament fees and in some situations, transportation. **The athletic fee for this team is \$30 and is payable before receiving the uniform and before the start of regular season games.** The athletic fee is to be paid for each team the student-athlete is a member of (to a maximum of 3 teams).

UNIFORMS: Failure to return the team uniform, promptly and in good condition, at the end of the season will result in the athlete being charged for the replacement cost of \$50.

SERVICE: At times during the season, team members will be required to assist the Athletic Department in some form of service. Service activities include refereeing, scoring, timing, etc...

HEALTH INFORMATION: The information on the back of this form must be completed and returned to the coach prior to the commencement of the season.
