Welcome to your graduation year! This two-section booklet will help you complete Graduation Transitions 12 (GT12), which is a required set of explorations and documents designed to help you plan for life after secondary school.

This cover page is for your reference and for tracking your section submissions.

GRADUATION TRANSITIONS 12 (GT12) HAS 3 COMPONENTS:

2. **Community connections** - What skills do you have for working safely, cooperatively and effectively with others?
3. **Career and life** - How well do you know yourself, and how can you connect yourself to education, training, and work, after you finish secondary school?

BUILDING ON WHAT YOU ALREADY KNOW

You will extend, through reflective checklists, career research, a trial post-secondary application, and summaries of work and exercise, what you have already learned in Planning 10 and might have experienced in career courses, school service, and athletics. *In GT12 ... you are the subject and you are the expert!*

Go to <http://www.bced.gov.bc.ca/exams> and then "Student Secure Web" and follow the various links.

POST-SECONDARY SELECTIONS FORM

*Completion of the PSI Selections Form authorizes the Ministry of Education to send your preliminary transcript information electronically in mid-March to BC (more than 25 colleges, institutes, universities, including VCC, BCIT, Langara, UBC, etc.) and Ontario (to OUAC, the Ontario University Application Centre) electronic (meaning set up to receive electronic files) post-secondary institutions (PSIs), interim grades to electronic BC PSIs (and to Ontario, to OUAC) in May, and your final transcripts to electronic PSIs in BC, and beyond, at the end of July. This is a pre-application activity. **NOTE: Many PSIs require that you complete this form before or during the application process, to avoid delays in accessing your transcripts.***

2. Click the menu option "Post-Secondary Institutions Selections".
3. Then click "Select PSIs". a) Section 1 allows you to select all BC Electronic PSIs and/or OUAC.

PERSONALITY & WORLD VIEW

PERSONALITY TYPE

1. Complete the Jung Typology Test (based on work done by psychologist Carl Jung) at <http://humanmetrics.com> (72 yes/no questions, followed by "Submit" button). Copy out the four-letter personality code and the words the letters stand for: _ _ _ _:

2. Enter <http://www.personalitypage.com/?????.html>. Instead of the ????, type in the four-letter code from #1 above, in CAPITAL LETTERS, no spaces.

3. Read the description of your personality type (as derived from step 1 above). How does it match how you might describe yourself? How does it differ from how you might describe yourself?

VALUES

Think of some words that describe personal qualities or standards, e.g. honesty, clarity, energy, self-awareness, humour, etc. List what you most value in yourself. In others. In your relationships.

PERSONAL PHILOSOPHY/WORLD VIEW

Think about the following: What do you find exciting about each day? What does success mean to you? What makes you want to try, even after failing? What do you recognize as "same as me" in others? Do you seek that or do you seek difference? What is your usual frame of mind? Our beliefs and thoughts and approaches to the world, how we make sense of our lives, can sometimes be summarized in one sentence. Design a personal philosophy statement that might fit you at this time in your life. For example, "*Wherever you go, there you are*" reflects the belief that simply changing places is not enough to bring about personal transformation.
